

Laser Clay Pigeon Shooting

Laser clay pigeon shooting is the most popular target event in the UK currently and is taking off in Ireland with huge interest from the Irish corporate market, leaving traditional clay shooting behind. It's completely safe and seriously competitive while maintaining high levels of FUN!

This ultimate clay shooting experience and is an unrivalled way to entertain clients or reward staff. Everyone gets involved and up to 5 people can shoot at one time! We take over everything and all you have to worry about is hitting the clays. A GIANT score board keeps track of everyone's scores, so you can see instantly how each person on the team is doing.

We provide all the professional equipment necessary and our experienced instructors will be on hand to give tuition, guidance and supervision, ensuring your safety throughout each event.
