

The Creative Challenge

Mobile Phone Treasure Hunt

The creative challenge is a fun-filled and challenging game that let's your employees get to know each other, think creatively and work as a team.

Teams of 4-5 members compete against each other in solving intriguing, location-based missions in a game area of your choosing.

Each mission is communicated through mobile phones and the teams send proof of their accomplished missions by sending pictures or text.

We've got carefully selected missions that are guaranteed to blow the minds of your gamers! Take pictures, find objects, use your creative and beat the other teams by prioritising between
