

Mission Impossible Mobile Phone Treasure Hunt

Late last night a group of infiltrators stole the control codes to Europe's 30 Galileo satellites. Our latest intelligence reports indicate that the codes will be handed over to their employer later this evening.

Watch out for stalking hostile agents, establish contact with friendly delegate, be on the alert and use the tools that are handed to you.

Mission Impossible is an exciting, nerve wrecking game that is guaranteed to heighten your state of alertness and challenge your team in totally new ways!

Follow the clues! Avoid hostile agents! Don't ever be photographed! Retrieve the stolen codes!
